

## **ASIS-ARPALER MEMORIAL GOLF TOURNAMENT**

The Scholarship Committee is seeking scholarship and golf tournament sponsors for our annual charity golf fundraiser. The event provides stipends for deserving college students awarded in memory of slain NYS Trooper Andrew Sperr. Sponsorships may be directed directly for the Scholarship Fund or sponsorships may be for support of the golf tournament. Tournament sponsorships will be recognized on the course and at the dinner on golf day (August 10, 2009) as well as in publications by ASIS Chapter 022 and ARPALER's Blue and Gray.

Individual tee sponsorships, longest drives and closest to the pin contests are \$100.00. Support of the beverages on tournament day is \$250.00. Individual or corporate donations to the Scholarship Fund may be in any amount.. All donations and/or sponsorships are 100% tax deductible with all proceeds going directly for the scholarship awards. The committee is also seeking the donation of prizes for the raffle at the dinner and gifts for the tee packages. It is anticipated that one hundred and eighty (180) golfers will take part on tournament day.

Please contact Joe Cook, Tournament Director and Scholarship Chairman if you or your business/corporation wish to participate in a sponsorship or donation. We sincerely "thank" all our previous donors and those who wish to participate this year.
